- There is NO FOOD OR DRINK allowed inside the museum besides water. Please make sure chaperones are aware of this and drink coffee before the field trip starts.

Special Needs:

- The Museum is an ADA accessible site. If you would like to discuss any special needs your group has please contact Megan at (805)545-5874 x18 or megan@slocm.org.

Inclement Weather:

- Although a few of the Museum exhibits are located outdoors, the majority of your Museum experience will take place indoors, so rain will not adversely affect your field trip.

Other ways you might prepare for your trip:

- Have the members of your group wear distinctive T-shirts or nametags.
- Visit the Museum before your field trip & determine where you want chaperones stationed.
- Establish an end of visit meeting place & inform students where to go if they get lost.
