SLOCM TEACHER NETWORK

The SLOCM Teacher Network creates a partnership between teachers and the San Luis Obispo Children's Museum. We would like for the Museum to be a resource for teachers in the community. We would welcome a dialogue between educators and the Museum on how to better the experience for you and your students.

Once you join the SLOCM Teacher Network, you will receive a card that is valid from January 2010 to September 31, 2010.

Signing up for the Teacher Network Card is free and easy. Simply fill out our teacher form at the Museum's front desk. Verification is required. *Please bring a copy of your School ID when you visit.* The SLOCM Teacher Network Card is valid for San Luis Obispo County Kindergarten-3rd grade teachers and special needs teachers.

For more information please contact the museum at 805 545 5874.
